Binary Commission is a bonus based on CV from your Binary downline. Every package sold in your downline generates CV. You can earn CV from unlimited levels down. Every time you have 500 CV in both your legs (teams) – you get paid 1 STEP. This bonus is calculated and paid out each Monday.

### Binary Commission Rules:

- **Onetime activation** = personal sale of 200 CV per Leg
- 1 Step: 500 CV per leg
- CV is valid 12 months.
- 1 Step pays 70-100 USDT depending on your Recognition Level (See Below)

### Recognition Pin Levels:

RECOGNITION LEVEL	STEPS ACCUMULATED	STEP VALUE	WEEKLY CAP
CLIENT	-	70 USDT	28,000 USDT
STARTER	10 Steps	70 USDT	28,000 USDT
PROMOTER	50 Steps	75 USDT	30,000 USDT

You can achieve **Recognition** for your efforts. The higher rank you achieve, the more binary commission you will get paid. Also - as you grow in rank, you will be rewarded with exclusive gifts, such as pure gold, watches and cars. Please check out the complete overview including pictures in the **Recognition** reward program in your Backoffice.

## UNQUALIFIED STEPS

To earn the maximum from a STEP - you need to do a **Onetime Activation** - it means you need to generate a personal sale of 200 CV in each of your legs – left and right teams.

As soon as you start – you will start earning CV from your sales.

We will give 30 days to do your **Onetime Activation** – so you can get paid minimum 70 USDT per STEP.

If you are not qualified in the first 30 days, but you start earning steps, then you should only get paid 25 USDT per STEP, but we will hold back the payout and instead pay you 70 USDT if you do qualify on time.

However - if you haven't done the **Onetime Activation**, the system will automatically make you Binary active after 30 days, and you will be paid 25 USDT per step.

As soon as you then do your **Onetime Activation**, you will be paid 70 USDT per step – starting from first commission run after you have completed the **Onetime Activation**. There is no time limit, so the faster you do it, the better for you.

**Matching Bonus (MB)** you get paid for helping people in your personal team network to earn binary income - (STEPS).

### Qualifications Rules:

- **Personal Qualification:** You must personally buy a **2 Star** or higher.
- **Sponsorship Qualification:** You must personally sponsor a **2 Star** or above in each of your legs/teams
- **Position Qualification:** Place your team on the outside legs of your network tree – only those count to qualify you for **Sponsorship Qualification** above. Let's say you have placed a team member left/outside and a member right, but on the inside - then you are not qualified for first level of Matching Bonus. MB is paid from your team when they earn STEPS (Binary income), no matter where they are placed, but only those on your outside qualify you.

Therefore – if you want to earn more Matching Bonus, you need to focus on placing members on the outside. The table below shows which qualifications are required and the potential in the Matching Bonus:

MATCH GENERATION	QUALIFICATION	WORKING LEG	POWER LEG	MEMBERSHIP TYPE REQUIRED
1 Generation (MB1)	Refer 2 x <b>2 Star</b> member or above - 1 in each leg	5%	10%	Min. <b>2 Star</b>
2 Generation (MB2)	Refer 4 x <b>2 Star</b> member or above - 2 in each leg	5%	10%	Min. <b>2 Star</b>
3 Generation (MB3)	Refer 6 x <b>2 Star</b> member or above - 3 in each leg	5%	10%	Min. <b>2 Star</b>
4 Generation (MB4)	STARTER qualified & Refer 3 x <b>2 Star</b> member or above - 3 in each leg	5%	10%	Min. <b>3 Star</b>
5 Generation (MB5)	PROMOTER qualified & Refer 3 x <b>2 Star</b> member or above - 3 in each leg	5%	10%	Min. <b>3 Star</b>

**Vizionary Leaders Matching Bonus** is an extraordinary bonus that can only be achieved with dedicated work and excellent results. This bonus rewards you for helping people in your personal generational network to earn binary income, just like the Matching Bonus mentioned above, but in this case even deeper into your team network.

**Qualifications Rules:**

- **Personal Qualification:** Must have personally bought a **4 Star** Pack or above.
- **Recognition Level Qualification:** CHIEF or above.
- **Matching Bonus Qualification:** 3 Generations

When the above qualifications are met, the table below is the overview that will show you the passive income power of the Vizionary Leaders Matching Bonus:

MATCH GENERATION	QUALIFICATION	WORKING LEG	POWER LEG	MEMBERSHIP TYPE REQUIRED
From 6 Generations through infinite levels to the 4 <sup>th</sup> CHIEF leader	CHIEF qualified for 3 Generations	1%	1%	Min. <b>4 Star</b>
	GENERAL qualified for 3 Generations	2%	2%	Min. <b>4 Star</b>
	PRESIDENT qualified for 3 Generations	3%	3%	Min. <b>4 Star</b>

*When qualifications are met, you will earn matching bonus and Leaders matching bonus from everyone in your generation line, regardless of their membership type and where they are placed in your team.*

### Matrix Bonus

This is a bonus for helping people in your network team to earn STEPS, but to get paid the Matrix bonus YOU first need to earn minimum 1 personal STEP.

To get the maximum you need to fill up 2 Matrix's – an **ENTRY** matrix & an **EXIT** matrix.

Each matrix has 7 spots.

When you earn 1 STEP – you get the first spot in the **ENTRY** matrix. If your personal network team earns 6 STEPS – your first matrix is full, and you get the first spot in an **EXIT** matrix. If your personal network team fills out their **ENTRY** matrix 6 times – then your **EXIT** is full.

This is how a Matrix looks like in order to calculate this bonus for you:

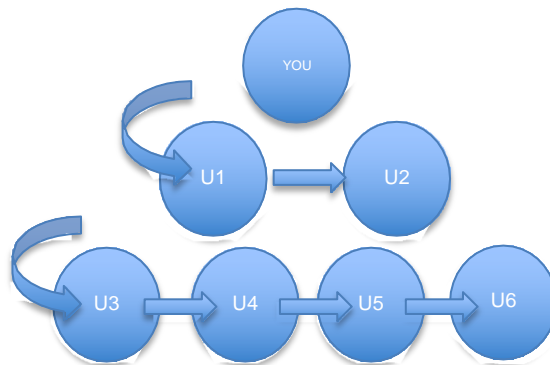

Figure 1: The MATRIX Structure

Each full **ENTRY** matrix pays you 40 USDT - each full **EXIT** matrix pays you 160 USDT.

Entry Matrix Bonus	Exit Matrix Bonus
40 USDT	160 USDT

This way you can earn 200 USDT for each of your STEPS – but to do – YOU need to earn STEPS – and you need to help your team to earn STEPS.

If you earn 10 STEPS – you get 10 x **ENTRY** matrix. Each matrix is filled in from left to right, starting from the top.

**Example:**

You 10 STEPS and got paid 70 USDT per step – you get 700 USDT in Binary Bonus  
 If you help your team as described above and earn 10 x 200 = 2000 USDT extra.

To give you a trackable overview of this bonus, we use a 2x2 Binary Matrix system, where you have 6 positions below you. 2 on the first level and 4 on the second level.

Every time YOU personally earn 1 step, you get the first spot in a NEW matrix.  
 You can have up to 400 matrixes and they carry over from week to week without any flushing or cancellation time.

Note that this Matrix Bonus system can give significant spillover, from both upline and crossline as well as deep down from below, because IF someone doesn't have a matrix with open free spots, these members can't follow their sponsor – so the system will look for a member in the sponsor line above and enter the first free spot in an open matrix.

Make sure to always earn STEPS, so members below you have a matrix to fill up for you.

**Qualifications Rules:**

- **Personal Qualification:** Must have personally bought a **2 Star** or above,
- **Unqualified Steps** does NOT produce a Matrix position.
